# SHOWER ENCLOSURE SOLO™

A UNIQUE SPACE-SAVING DESIGN THAT'S AHEAD OF THE CURVE

The SOLO shower enclosure opens up the look of a smaller bathroom with a fresh modern style. Graceful lines accentuate the quarter round enclosure with beautifully curved tempered glass. The innovative design is a smart solution where space is limited. The single sliding door panel creates an opening without claiming the space required for a swing door. Combine the SOLO shower enclosure with a DreamLine acrylic shower base and backwall system for a streamlined installation.
