

AquaLux Tub Door

The AquaLux Tub Door delivers European style with a gracefully curved silhouette for a uniquely modern look. The perfect combination of impressive 5/16" thick tempered glass and a flowing frameless design delivers the look of custom glass at a superior value.

AquaLux is also available as a shower door.

Door Features:

- Frameless glass design
- 5/16" (8mm) thick tempered clear glass
- Chrome or brushed nickel hardware finish
- Self-closing solid brass hinges
- Wall mount brackets and support arm for stationary panel
- Convenient towel bar
- Reversible for right or left door opening
- No adjustment for out-of-plumb walls
- Optional backwalls available

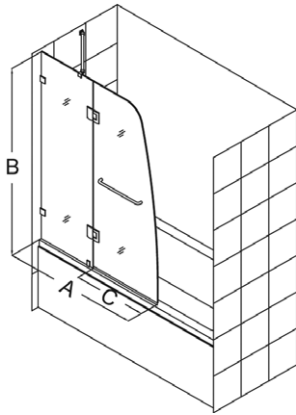

Choose an AquaLux Tub Door with Extender Panel to increase splash coverage or choose an AquaLux Tub Door with Return Panel to create a bathtub enclosure.

Extender and Return Panel Features:

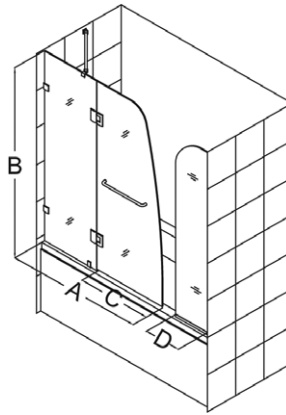

- 5/16" (8mm) thick tempered clear glass
- 1/4" of out-of-plumb adjustment
