

Enigma

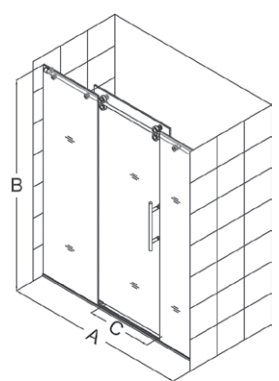

The [Enigma Shower Door or Enclosure](#) is stunning with a sophisticated frameless design that rivals custom glass for an exceptional value. Each model is a work of art, crafted from premium materials like stylishly bold stainless steel hardware and superior 1/2" thick tempered glass. The impressive glass is treated with DreamLine exclusive Clear Glass™ protective coating for superior protection and easy maintenance. The Enigma offers a world-class shower space that becomes the centerpiece of any bathroom design.

Features:

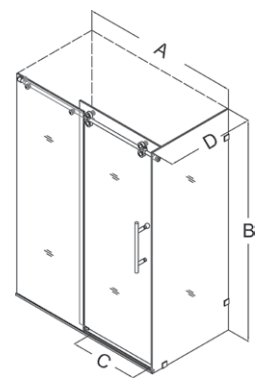

- Advanced fully frameless glass design
- 1/2" (12mm) thick tempered clear glass
- Stainless steel hardware available in polished or brushed finish
- Effortless sliding operation with large wheel assemblies on a stainless steel track
- Anti-splash threshold to prevent water spills (requires minimum threshold depth of 3-3/4")
- DreamLine™ exclusive Clear Glass™ protective anti-limescale coating
- Reversible for right or left door opening
- Trim top bar up to 4" for width adjustment
- No adjustment for out-of-plumb walls
- Must be installed on tile or solid surface floor
