

PrismLux

The [PrismLux Shower Enclosure](#) incorporates a unique neo-angle installation design to save space while creating a beautiful focal point. This modern neo-angle enclosure combines the rich look of impressive 3/8" thick tempered glass and the clean lines of a completely frameless design for an upscale custom look. Add a DreamLine shower base and backwalls for an efficient and cost effective way to dramatically transform any shower space.

Features:

- Frameless glass design
- 3/8" (10mm) thick tempered clear glass
- Chrome, brushed nickel or oil rubbed bronze hardware finish
- Self-closing solid brass hinges
- Wall mount brackets and stainless steel support arms for stationary glass
- Reversible for right or left door opening
- No adjustment for out-of-plumb walls
- Optional SlimLine™ shower base and backwalls available
